Call for applications

Center for Institutional Studies (CInSt, HSE University) and International laboratory of Intangible-driven Economy (IDlab, HSE University) are pleased to announce the call for applications for the XV Russian Summer School on Institutional Analysis. School will have *two online sections (April 16-17, July 3-7, 2021) and one offline section (September 17-18, 2021) in Saint Petersburg region (Russia) with an opportunity to participate online.*

The aim of RSSIA is to promote empirical research in various fields of Economics and foster the communication and expertise exchange between early career researchers and established scholars, faculty and students. RSSIA 2021 will continue the tradition of previous Summer Schools with project proposal presentations and discussions, tutorials, faculty lectures, and networking opportunities.

The working language is English.

RSSIA 2021 will support participants on their way from research idea to paper. Intense work on the paper in small groups, feedback and support from faculty members for 5 months are among features of RSSIA 2021.

As a RSSIA participant, you will have the opportunity:

- to attend the lectures of distinguished experts in various areas of empirical economics: Dennis C. Coates (University of Maryland and HSE University), Sergey Popov (Cardiff Business School and HSE University), Koen Schoors (Ghent University and HSE University), Paola Valbonesi (University of Padova and HSE University), Nick Zubanov (University of Konstanz), Riccardo Camboni (University of Padova), Francisco Cabrera (University of Monterrey), Timur Natkhov (HSE University), Petr Parshakov (HSE University), Victor Rudakov (HSE University);
- to present and discuss several steps of your current research during seminars;
- to exchange the research experience with other RSSIA participants and faculty members;
- and, consequently, to improve your research significantly!

The deadline for applications is April 4th, 2021.

Participants are selected on the basis of their applications and one slide presentation.

To apply online:

- fill in the registration form;
- write a motivation letter (no longer than **300** words);
- provide a current research project description (no longer than **1500** words + references).

Please, find the research project proposal requirements on the application page.

There is no registration fee.

Organizers provide participants with accommodation and meals during offline session. However, participants will have to cover their travel and visa costs.

More details about RSSIA and application procedure may be found at the website http://rssia.hse.ru
